July 10, 2015

Dear Sir or Madam:

The Groton Town Council has voted to end the organized collection of commercial solid waste within the Town. The Representative Town Meeting has 45 days to veto this change. They took no action on this matter at their July 8th meeting and at this time no Special Meeting is scheduled before the program is scheduled to expire on July 31st. The collection of Commercial Acceptable Waste and Mandatory Recyclable Collection by the Town will cease effective July 31, 2015.

You are free to contract for services with any hauler you wish effective August 1, 2015. As the Town of Groton bills in the arrears for this service, you will receive a bill for July services at the beginning of August. You are responsible to pay this bill.

If you wish to contract with another hauler other than CWPM, they may place their dumpsters on your property after July 15, 2015. If you choose an alternate hauler for your waste collection, please advise the Town's Public Works Department so that we can insure that the CWPM dumpsters are removed in a timely manner. Public Works staff can be reached via email at pworks@groton-ct.gov, phone at (860) 448-4083, or mail, at Groton Public Works, 134 Groton Long Point Road, Groton, CT 06340

Very truly yours

Gary J. Schneider
Director of Public Works
